Exposing Lies Of The Empire

Andre Vltchek has traveled all over the world to personally investigate the U.S. Empire's crimes against humanity. This is a record of his travels, his experiences and his thoughts on how things are, and how they ought to be. His is a clear voice for a revolution of the downtrodden, the exploited and the oppressed.

Exposing Lies, Telling The Truth | PopularResistance.Org

Description : John Perkins links his experiences to new revelations that expose the drive for empire that lies behind the rhetoric of globalization....Economic hit men (EHMs) are highly paid professionals who cheat countries around the globe out of trillions of dollars. They funnel money from the World Bank, the U.S. Agency for International Development (USAID), and other foreign "aid" organizations into the coffers of huge corporations and the pockets of a few wealthy families who control ...
